About this Calendar
This calendar gives you an overview of the entire semester and lists the due dates for Portales activities, exams, oral activities, and writing assignments. Print the calendar and have it available when completing work for this class. I reserve the right to make changes to this calendar, and you will be notified in advance.

Keep in Mind the Following:

- **Canvas**: Always login to Canvas on Mondays and review the Week Overview Page for specific details about each week's assignments. It is important to login regularly to stay up-to-date.

- **Portales**: The majority of your instructional content and learning activities will come from the e-text website Portales. You will access the Portales content and activities through vhlcentral.com. I will provide you with the links in Canvas for each week's activities.

- **Oral Activities**: Specific details about Virtual Chat and Video Discussion activities will be provided in Canvas. Virtual Chat activities are recorded audio activities and DO NOT require a partner. Video Discussion activities are recorded video activities that require you to respond to a classmate via recorded video.

- **Writing Activities**: Specific details regarding each writing activity will be provided at the time of the assignment.

- **Time Commitment**: This is a 5 unit class packed into a 7-week course, so be prepared to commit to more hours per week than during a normal semester. It is intense!

- **Avoid Stress and Missing Assignments**: Spread out your Portales activities throughout the week to avoid trying to complete all of them at the last minute.

- **All Portales assignments are due on Wednesdays and Sundays by 11:59 p.m. of each week.**
